EVERY CHILD, A PROMISE

Prayer for the End of the School Year

God of wisdom,
we thank you for all the gifts you
have given us throughout this school year.
We praise you for giving us life,
for saving us in Christ,
and for choosing us to be your people.

As we come to the end of this school year,
we voice our gratitude
for the good things you have done in us,
and we praise you
for all who have shared in the work of this school.

We ask you to bless them in your love
and give them refreshment and peace.
We praise you, God, through Jesus Christ, our Lord,
who lives and reigns forever and ever.

Amen

June Virtue - Fairness

"I do not mean that there should be relief for others and pressure on you, but it is a question of a fair balance between your present abundance and their need, so that their abundance may be for your need, in order that there may be a fair balance." (2 Cor. 8:13-14)

God wants us to treat each person as we would like to be treated.

People of Fairness...

- treat others as they would like to be treated
- refuse to bend the truth or twist rules for personal gain
- listen for God's advice before forming opinions
- think: What Would Jesus Do (WWJD)?... when faced with moral choices
- show good sportsmanship
- know that relationships are more important than possession or popularity
- give special consideration to those who need extra support
- work to bring about peaceful solutions to problems
- cheer the successes of others

Parent/Guardian School Volunteers Needed

Parents/guardians are an integral part of our Catholic school communities. Parent/guardian engagement, advocacy and support for Catholic schools gives you a voice, and signals that support for Catholic education in Dufferin-Peel and Ontario is strong. We appreciate the involvement of parents/guardians at the local school and encourage participation in school activities and events. Parent/guardian school volunteer activities include: field trips, lunch events, and other school events.

All parent/guardian school volunteers need to have a Criminal Reference Check with Vulnerable Sector Screening on file at the school. If you are interested in volunteering at St. Alfred please contact the office to obtain a School Volunteer Letter that is submitted to the Police Department as part of your request for a Criminal Reference Check with Vulnerable Sector Screening.

Anyone who has not previously submitted a Criminal Reference Check with Vulnerable Sector Screening is strongly encouraged to apply as soon as possible to avoid delays. Please allow up to 6 weeks to process the application.

The Dufferin-Peel Catholic District School Board has the responsibility, under law, to provide a safe and secure working and learning environment for students and employees. The Board is in a position of trust with regard to students and must protect their intellectual, physical, mental, and emotional well-being.

All individuals are required to provide an original Criminal Record Check with Vulnerable Sector Screening that is satisfactory to the Board prior to the commencement of any duties. The Criminal Reference Check with Vulnerable Sector Screening must have been executed within the preceding 6 months of receipt.

Once Your Criminal Reference Check with Vulnerable Sector Screening is Completed:

Peel Regional Police or your local Police Department will return the results using their preferred method. A copy certified by a Principal or Designate of the school must be held at the School.

Do I have to get a Criminal Reference Check with Vulnerable Sector Screening each school year?

No. If you have a Criminal Reference Check with Vulnerable Sector Screening on file, you will receive an Annual Offence Declaration (AOD) for the calendar year. This must be signed and returned to the school to keep your Criminal Reference Check with Vulnerable Sector Screening on file current. An AOD may be obtained at the St. Alfred School Main Office.

If you have any questions, do not hesitate to contact us at St. Alfred School. Thank you for your interest and support.

A MESSAGE FROM OUR DIRECTOR: 2023-2024 DIRECTOR'S ANNUAL REPORT

It is with great honour and pleasure that I present the 2023-2024 Director's Annual Report.

What makes the Dufferin-Peel Catholic District School Board such an exceptional place to learn and work is our ability to collaborate effectively, not only within our schools but also with our parish partners, parents, guardians, and community stakeholders.

Together, we work for the benefit of the thousands of learners, both young and old, who entrust us with their education.

The 2023-2024 school year was not without its challenges. We are navigating a significant budget deficit which, coupled with declining enrolment, creates a financial strain that impacts us on so many fronts. Yet we persevere and continue to thrive in many other areas. I invite you to explore the 2023-2024 Director's Annual Report, where you will find clear evidence of the strength of our efforts as we work diligently to achieve the goals outlined in the Board of Trustees' Multi-Year Strategic Plan.

As I have said many times before, we often exceed expectations, not because it is required of us, but because our work is deeply rooted in our call to serve. As Pope Francis reminds us, "According to Christian tradition, (work) is more than a mere doing; it is, above all, a mission. We collaborate with the creative work of God when, through our work, we cultivate and preserve creation; we participate, in the Spirit of Jesus, in his redemptive mission when, by our activity, we give sustenance to our families and respond to the needs of our neighbor."

I am both proud and privileged to serve alongside such talented and dedicated faculty, staff, and system leaders, as well as our focused and committed Board of Trustees.

I extend particular thanks to the Board of Trustees for its guidance and unwavering support, which has enabled DPCDSB to continue being a leader in Catholic education in this province. I also wish to express my gratitude to our faculty and staff at all levels, our unions and associations, our parish and diocesan partners, the Ministry of Education, our students, and their families. May God continue to bless and keep you all.

Dr. Marianne Mazzorato, Ed.D.

Director of Education

Snacks and Treats for Classrooms

We are asking that all parents please refrain from bringing snacks/treats (any edible items) to classroom for sharing amongst students. Several students in our school suffer from severe food allergies to nuts, peanuts, nut products, fish as well as other foods. There is also a Ministry PPM - a memorandum that sets out nutrition standards for food and beverages in publicly funded elementary schools in Ontario. If you would still like to do something special for your child's class, a classroom gift, (e.g. board game) for inclement recess may be a great alternative. Again, we thank you for your cooperation.

Student Absences - SafeArrival Absence Reporting System

At Dufferin-Peel Catholic District School Board one of our greatest priorities is ensuring that all our students arrive safely at school each and every day.

This is a reminder that here at St. Alfred, we will be using the **SafeArrival** absence reporting system this school year.

Please be informed that **parents are required to report student absences prior to the bell time for the current day**, future absences, or absences that span 2 or more days up to 5 consecutive days. Absence which exceeds 15 days will need to be communicated with the school office directly.

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger App** from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time

you use the app, select **Sign Up** to create your account. Once you are signed up and logged in, select **Attendance** then **Report an Absence**.

2. Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.

3. Call the toll-free number **1 (844) 435-3440** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time. If further assistance required on how to report an absence using **SafeArrival** can be found on the following link: <https://www.dpcdsb.org/parents/absence-reporting>

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent when the absence was not reported in advance. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **SafeArrival** toll-free number, website, or mobile app, you will NOT receive these notifications. We appreciate your diligence and attention regarding the reporting of your child's attendance for the upcoming school year.

Thank you!

Protocol for Student Accidents, Injuries, Illnesses

As per Dufferin-Peel General Administrative Procedures (GAP), the Principal of each school is responsible for establishing a communication procedure to parents/guardians for student accidents, injuries, or illnesses.

General Expectations

All accidents, injuries, and illnesses requiring first aid will be reported to parents/guardians. This communication procedure shall be used regardless of the severity of the accident, injury, or illness. Where an accident, injury, or illness occurs at school, standard first aid treatment shall be given immediately by a qualified First Aider, when available. In the case of an injury, staff shall not move the injured party if there is a suspected back or neck injury as this could potentially cause further damage.

Where an accident, injury, or illness occurs on a school sponsored excursion, first aid treatment shall be given by the excursion provider/location, when available. If a qualified first aid provider is not available, the students' parent/guardian and/or emergency services will be contacted, as appropriate. A staff member shall report any accident or injury to the Principal as soon as possible on the day of the illness, accident, or injury.

If an accident or injury involving a student has occurred while at school but has not been discovered until a later time, the Principal, when informed of such accident or injury, shall inform the parent(s)/guardian(s)/emergency contact and their instructions acted upon, as appropriate.

If the Principal or their delegate believes that the injury or illness may not be of a serious nature, the parent(s)/guardian(s)/emergency contact shall be informed and their instructions acted upon, as appropriate.

Serious Accident, Injury, or Illness Response

If the accident, injury, or illness appears to be of a serious nature, which may require diagnosis and/or treatment by a qualified medical practitioner, the following procedures shall apply in the order described below:

- a) An ambulance shall be called immediately (911) to transport the accident/injury victim and/or person experiencing a serious illness to a hospital. A staff member shall accompany the victim to the hospital.
- b) For serious accidents, injuries, and/or illnesses which occur on DPCDSB property during school hours, the parent(s)/guardian(s) of the student shall be notified immediately.
- c) Where the accident, injury, or illness involves a student, Emergency Response Services personnel shall be provided with a copy of the Student Index Card.
- d) If a student is admitted to a hospital as a result of an accident or injury, or if the accident or injury results in a serious or fatal injury, DPCDSB's Risk Management and Insurance Officer, Health and Safety Department, will be notified by telephone on the same day as per GAP 519.01 – Board Insurance – Incident Reports.
- e) Principals shall complete the Ontario School Boards' Insurance Exchange (OSBIE) on-line incident report form as soon as possible. Principals must ensure that the red box at the top of the on-line incident report form is checked.
- f) OSBIE and DPCDSB's Risk Management and Insurance Officer shall receive copies of on-line OSBIE report forms simultaneously. OSBIE prioritizes reports daily and will follow-up with the Principal and/or the Risk Management and Insurance Officer regarding serious or fatal injuries.

Student Information

Please remember to update the office with any new information regarding your child. The office needs to be advised of any changes to telephone numbers, emergency contacts, and/or address so that we always have the most up-to-date information for your child in case of emergency.

The office must be advised of any medical concerns. All medication must be kept in the office.

Emergency Evacuation

Teachers and students regularly practice emergency evacuation procedures. These include safe exit from the building in the event of a fire, precautions in the event of a bomb threat and safety actions / lock downs to be taken in the event of an intruder alert. In the unforeseen event that we must evacuate the school for emergency purposes, our students will evacuate to B.W. Fleming School.

Students Who Are Unwell

As we do our part in keeping St. Alfred a healthy and safe environment for all students, it is important that we continue to be diligent in isolating students who are unwell.

Please note: it is a requirement that we follow the safety protocols set out by Peel Health and the DPCDSB. It is important that you have a plan in place if you receive a phone call to pick up your child. Also, it is important that you have an alternate pick up person ready to pick up your child(ren) if you cannot do so. We are aware that this is sometimes hard to coordinate however, the expectation of the school, board, and Peel Health continues to be that pick up of ill children is mandatory.

Thank you to the St. Alfred school community for continuing to keep us safe!

Pediculosis (Head Lice)

From time to time, there may be cases of pediculosis or head lice in our school. This should not be cause for alarm. Lice are a nuisance, but not hazardous to your child's health. An alert letter will

be sent home to parents and guardians of the affected classes. If more information is required you may visit the Region of Peel at the following website:

<https://peelregion.ca/health/shp/reference-guide/head-lice.htm>

Allergen Awareness Alert

In addition to our Board Policy, the passing of Sabrina's law serves as a reminder of the seriousness of anaphylactic reactions. It compels a continued call for action and ongoing monitoring of existing practices to support the safety, health and welfare of all students at St. Alfred School. As there are a number of students in our school who have a severe life threatening allergy to nuts, we ask our families to refrain from sending to school any food, etc. that contains nut products (e.g., peanut butter sandwiches, snacks with nuts, etc.). While we cannot guarantee a "Nut Free" or "Allergen Free" environment, you can help to reduce the risk to our students by not sending in peanuts, nuts of any kind, products containing nuts, nut oil, or nut by-products, foods that MAY have come in contact with nuts or nut products and fast food or commercial snacks where the content or exposure to nuts of commercial foods or snacks is unclear (e.g., Timbits).

Edible birthday treats will not be shared with students at school. Please do not send cakes, cookies etc. for distribution. Thank you for your cooperation.

Storage and Administration of Medication

Parents are responsible for ensuring that all medication and forms are updated annually. If your child requires medication, please have all pertinent forms completed and returned with the medication to the office as soon as possible. Parents are reminded that children are NOT allowed to keep medication in their desk, backpack or classroom (with the exception of an epi-pen or puffer if allergies are severe). All dispensing of medication requires medical permission and must be stored in the office.

Ryan's Law - Ensuring an Asthma Friendly School

We would like to inform you that St. Alfred continues to participate in 'We Share the Air' a Scent Sensitivity Awareness Campaign. There are students in attendance who suffer from life-threatening asthmatic conditions to air pollutants. Exposure even to minimal odours may cause potential life-threatening reactions. Very common severe chemical triggers are: perfume, cologne, scented products and personal care products (such as hairspray). These products may cause severe reactions for students. The safety and well-being of all of our students is a priority. In order to ensure the safety and well-being of all students, we request that our school community refrain from wearing scented personal products complying with our Scent Free Zone Campaign at school and all school events. Please ensure that all caregivers are also aware of our awareness campaign. If you have any questions, please talk to your child's teacher or the schools staff.

Custody of Children

On rare occasions, we are faced with difficult situations in which non-custodial parents arrive at our school asking to visit with their child or take their child home after school. We are best able to serve and protect the child when we are made aware of legal custody arrangements, visitation rights and special instructions. If legal custody matters affect your family, please ensure that our office and classroom teachers are aware of custodial agreements between parents. We require that a copy of all legal documentation be kept in your child's school records.
