EVERY CHILD, A PROMISE

2024-25 Catholic Education Week Prayer - Pilgrims of Hope

Hope is our calling, O Lord,
and the destination of our pilgrim journeys.

As we mark this Jubilee Year of hope,
keep our eyes focussed on Jesus,
and on the hope he reveals to us.

May our hope lead us to love genuinely and to live generously.

In the dignity of every human being,
may we honour your presence.

In our stewardship of creation,
may we care for your creatures,
large and small.

As we strive to respond to the poverties of our world,
may we be bearers of your compassion.
As we live as people of solidarity,
may we help to heal the divisions of our world.
In our lives as peacemakers,
may we share the "Shalom" which is your gift to all people.
Hope is the flame that has been entrusted to us;
may we keep it burning brightly,
to enlighten the path of our pilgrim journey.
All our hope is in you, O God,
in the name of Jesus our Lord and companion.
Amen.

May Virtue - Acceptance

"If one member suffers, all suffer together with it; if one member is honored, all rejoice together with it. Now you are the body of Christ and individually members of it." (1 Cor.12:26-27)

People of Acceptance...

- are friendly and open to all God's people
- sense God's presence in people of all ages, beliefs, genders, cultures, and/or abilities
- avoid the temptation to judge or negatively stereotype others
- look for positive traits in others
- understand there may be more than one way of doing things
- stick up for the disadvantaged
- notice who is left out and include them

God wants us to make friends with everyone no matter how different they may look or act. Acceptance...is the ability to respect the dignity and rights of all persons, even those whose beliefs and behaviours differ from our own. Everyone should strive to love and respect their neighbour, as they love and respect themselves.

PEOPLE OF ACCEPTANCE...

- ARE FRIENDLY AND OPEN TO ALL GOD'S PEOPLE
- SENSE GOD'S PRESENCE IN PEOPLE OF ALL AGES, BELIEFS, GENDERS, CULTURES, AND/OR ABILITIES
- AVOID THE TEMPTATION TO JUDGE OR NEGATIVELY STEREOTYPE OTHERS
- LOOK FOR POSITIVE TRAITS IN OTHERS
- UNDERSTAND THERE MAY BE MORE THAN ONE WAY OF DOING THINGS
- STICK UP FOR THE DISADVANTAGED
- NOTICE WHO IS LEFT OUT AND INCLUDE THEM

Catholic Education Week 2025

Each year, the Catholic community of Ontario engages in a week-long celebration of the unique identity and distinctive contributions of Catholic education during Catholic Education Week. This year's celebration is entitled, "Catholic Education: *Pilgrims of Hope*" and will be celebrated during the week of May 4 – May 9. The theme for Catholic Education Week 2025 was inspired by the following considerations:

In February of 2022, Pope Francis announced that the theme for the upcoming 2025 holy year would be "Pilgrims of Hope." "We must fan the flame of hope that has been given to us and help everyone to gain new strength and certainty by looking to the future with an open spirit, a trusting heart and far-sighted vision. (from Vatican News, a short video on the history of the Jubilee/Holy Year: <https://x.com/VaticanNews/status/1783768498885275868>)

The Holy Father asks us to focus prayerfully on the bonds that unite our whole human family, to reflect on the rampant poverty in our world, and to think about the plight of the many refugees forced to leave their homes. He also summons us, as stewards of Creation, "to contemplate the beauty of creation and care for our common home."

A pilgrimage is a spiritual journey of movement toward a goal, often lived together with others – and that certainly describes Catholic education. Hope – one of the three theological virtues – is grounded in our Easter faith in Jesus' resurrection and renewal; this is what enables us to be builders, dreamers and leaders in Jesus' name. Pope Francis invites us to keep moving ahead in faith, in joy, and in hope, as part of a pilgrim people. Even in challenging times, our eyes are focussed on the future.

The five sub-themes for Catholic Education: *Pilgrims of Hope* are:

By honouring human dignity

By caring for creation

By responding to the poverties in our world

By serving in solidarity

By living as peacemakers

Every year, the Ontario Catholic School Trustees' Association (OCSTA) provides our Catholic schools with a resource kit to help schools prepare for Catholic Education Week. Using these resources, as well as our own developed activities, we have prepared a series of activities, which will enhance our celebrations.

Additionally, the Catholic Education Week Provincial Mass will take place on May 7, 2025. The Mass will be celebrated by the Most Rev. Douglas Crosby, Bishop of Hamilton. All members of the DPCDSB community—students, families, staff, trustees, and the broader Catholic community—are

invited to participate virtually. The Mass will be livestreamed from the Cathedral Basilica of Christ the King, beginning at 11:00 a.m. [Livestream Link](#)

We hope to see you during our school celebrations!

Class Organization for 2025-2026

In the month of May, St. Alfred staff will be involved in a series of meetings to discuss the placement of your child for September 2025. We discuss each child on the basis of academic and social/emotional needs and decide on the class placement which will best meet these needs. Parents/Guardians who wish to provide educational reasons to assist staff in their decisions may submit their request in writing to the principal no later than May 9, 2025 via email at: St.AlfredInfo@dpcdsb.org.

We remind you that it is not appropriate now or in September to request a specific teacher as staffing is tentative and subject to change, or to make requests to avoid necessary combined grades. Please understand that it is not always possible to accommodate all requests but staff will take into consideration the information provided. Placement requests made after this date may not be able to be accommodated. No changes can be made after the end of June.

St. Alfred Catholic School Council

Communication between home and school is greatly enhanced by parental involvement with the Catholic School Council. Please note that our Council will be comprised of parents, school staff as well as community and parish representatives. The aim of the School Advisory Council is to support school activities and students through involvement and fund raising. The School Council also provides a forum for parents to meet and share information and ideas concerning the school community.

Our next meeting will be held on:

Wednesday, May 14, 2025 at 6:30pm at St. Alfred

The following members will represent the St. Alfred Catholic School Council 2024-2025:

Parent/Guardian School Volunteers Needed

Parents/guardians are an integral part of our Catholic school communities. Parent/guardian engagement, advocacy and support for Catholic schools gives you a voice, and signals that support for Catholic education in Dufferin-Peel and Ontario is strong. We appreciate the involvement of parents/guardians at the local school and encourage participation in school activities and events. Parent/guardian school volunteer activities include: field trips, lunch events, and other school events.

All parent/guardian school volunteers need to have a Criminal Reference Check with Vulnerable Sector Screening on file at the school. If you are interested in volunteering at St. Alfred please contact the office to obtain a School Volunteer Letter that is submitted to the Police Department as part of your request for a Criminal Reference Check with Vulnerable Sector Screening.

Anyone who has not previously submitted a Criminal Reference Check with Vulnerable Sector Screening is strongly encouraged to apply as soon as possible to avoid delays. Please allow up to 6 weeks to process the application.

The Dufferin-Peel Catholic District School Board has the responsibility, under law, to provide a safe and secure working and learning environment for students and employees. The Board is in a position of trust with regard to students and must protect their intellectual, physical, mental, and emotional well-being.

All individuals are required to provide an original Criminal Record Check with Vulnerable Sector Screening that is satisfactory to the Board prior to the commencement of any duties. The Criminal Reference Check with Vulnerable Sector Screening must have been executed within the preceding 6 months of receipt.

Once Your Criminal Reference Check with Vulnerable Sector Screening is Completed:

Peel Regional Police or your local Police Department will return the results using their preferred method. A copy certified by a Principal or Designate of the school must be held at the School.

Do I have to get a Criminal Reference Check with Vulnerable Sector Screening each school year?

No. If you have a Criminal Reference Check with Vulnerable Sector Screening on file, you will receive an Annual Offence Declaration (AOD) for the calendar year. This must be signed and returned to the school to keep your Criminal Reference Check with Vulnerable Sector Screening on file current. An AOD may be obtained at the St. Alfred School Main Office.

If you have any questions, do not hesitate to contact us at St. Alfred School. Thank you for your interest and support.

**A MESSAGE FROM OUR DIRECTOR: 2023-2024
DIRECTOR'S ANNUAL REPORT**

It is with great honour and pleasure that I present the 2023-2024 Director's Annual Report.

What makes the Dufferin-Peel Catholic District School Board such an exceptional place to learn and work is our ability to collaborate effectively, not only within our schools but also with our parish partners, parents, guardians, and community stakeholders. Together, we work for the benefit of the thousands of learners, both young and old, who entrust us with their education.

The 2023-2024 school year was not without its challenges. We are navigating a significant budget deficit which, coupled with declining enrolment, creates a financial strain that impacts us on so many fronts. Yet we persevere and continue to thrive in many other areas. I invite you to explore the 2023-2024 Director's Annual Report, where you will find clear evidence of the strength of our efforts as we work diligently to achieve the goals outlined in the Board of Trustees' Multi-Year Strategic Plan.

As I have said many times before, we often exceed expectations, not because it is required of us, but because our work is deeply rooted in our call to serve. As Pope Francis reminds us, "According to Christian tradition, (work) is more than a mere doing; it is, above all, a mission. We collaborate with the creative work of God when, through our work, we cultivate and preserve creation; we participate, in the Spirit of Jesus, in his redemptive mission when, by our activity, we give sustenance to our families and respond to the needs of our neighbor."

I am both proud and privileged to serve alongside such talented and dedicated faculty, staff, and system leaders, as well as our focused and committed Board of Trustees.

I extend particular thanks to the Board of Trustees for its guidance and unwavering support, which has enabled DPCDSB to continue being a leader in Catholic education in this province. I also wish to express my gratitude to our faculty and staff at all levels, our unions and associations, our parish and diocesan partners, the Ministry of Education, our students, and their families. May God continue to bless and keep you all.

Dr. Marianne Mazzorato, Ed.D.

Director of Education

Snacks and Treats for Classrooms

We are asking that all parents please refrain from bringing snacks/treats (any edible items) to classroom for sharing amongst students. Several students in our school suffer from severe food allergies to nuts, peanuts, nut products, fish as well as other foods. There is also a Ministry PPM - a memorandum that sets out nutrition standards for food and beverages in publicly funded elementary schools in Ontario. If you would still like to do something special for your child's class, a classroom gift, (e.g. board game) for inclement recess may be a great alternative. Again, we thank you for your cooperation.

Student Absences - SafeArrival Absence Reporting System

At Dufferin-Peel Catholic District School Board one of our greatest priorities is ensuring that all our students arrive safely at school each and every day.

This is a reminder that here at St. Alfred, we will be using the **SafeArrival** absence reporting system this school year.

Please be informed that **parents are required to report student absences prior to the bell time for the current day**, future absences, or absences that span 2 or more days up to 5 consecutive days. Absence which exceeds 15 days will need to be communicated with the school office directly.

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger App** from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select **Sign Up** to create your account. Once you are signed up and logged in, select **Attendance** then **Report an Absence**.
2. Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Call the toll-free number **1 (844) 435-3440** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time. If further assistance required on how to report an absence using **SafeArrival** can be found on the following link: <https://www.dpcdsb.org/parents/absence-reporting>

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent when the absence was not reported in advance. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **SafeArrival** toll-free number, website, or mobile app, you will NOT receive these notifications. We appreciate your diligence and attention regarding the reporting of your child's attendance for the upcoming school year.

Thank you!

Protocol for Student Accidents, Injuries, Illnesses

As per Dufferin-Peel General Administrative Procedures (GAP), the Principal of each school is responsible for establishing a communication procedure to parents/guardians for student accidents, injuries, or illnesses.

General Expectations

All accidents, injuries, and illnesses requiring first aid will be reported to parents/guardians. This communication procedure shall be used regardless of the severity of the accident, injury, or illness. Where an accident, injury, or illness occurs at school, standard first aid treatment shall be given immediately by a qualified First Aider, when available. In the case of an injury, staff shall not move the injured party if there is a suspected back or neck injury as this could potentially cause further damage.

Where an accident, injury, or illness occurs on a school sponsored excursion, first aid treatment shall be given by the excursion provider/location, when available. If a qualified first aid provider is not available, the students' parent/guardian and/or emergency services will be contacted, as appropriate. A staff member shall report any accident or injury to the Principal as soon as possible on the day of the illness, accident, or injury.

If an accident or injury involving a student has occurred while at school but has not been discovered until a later time, the Principal, when informed of such accident or injury, shall inform the parent(s)/guardian(s)/emergency contact and their instructions acted upon, as appropriate.

If the Principal or their delegate believes that the injury or illness may not be of a serious nature, the parent(s)/guardian(s)/emergency contact shall be informed and their instructions acted upon, as appropriate.

Serious Accident, Injury, or Illness Response

If the accident, injury, or illness appears to be of a serious nature, which may require diagnosis and/or treatment by a qualified medical practitioner, the following procedures shall apply in the order described below:

- a) An ambulance shall be called immediately (911) to transport the accident/injury victim and/or person experiencing a serious illness to a hospital. A staff member shall accompany the victim to the hospital.
- b) For serious accidents, injuries, and/or illnesses which occur on DPCDSB property during school hours, the parent(s)/guardian(s) of the student shall be notified immediately.
- c) Where the accident, injury, or illness involves a student, Emergency Response Services personnel shall be provided with a copy of the Student Index Card.
- d) If a student is admitted to a hospital as a result of an accident or injury, or if the accident or injury results in a serious or fatal injury, DPCDSB's Risk Management and Insurance Officer, Health

and Safety Department, will be notified by telephone on the same day as per GAP 519.01 – Board Insurance – Incident Reports.

e) Principals shall complete the Ontario School Boards' Insurance Exchange (OSBIE) on-line incident report form as soon as possible. Principals must ensure that the red box at the top of the on-line incident report form is checked.

Rules to Remember

If you have any questions, please contact your school's main office.

Fire Drills

Please note that we are required to conduct 3 fire drills each school term. The drills occur during the school day.

Student Information

Please remember to update the office with any new information regarding your child. The office needs to be advised of any changes to telephone numbers, emergency contacts, and/or address so that we always have the most up-to-date information for your child in case of emergency.

The office must be advised of any medical concerns. All medication must be kept in the office.

Emergency Evacuation

Teachers and students regularly practice emergency evacuation procedures. These include safe exit from the building in the event of a fire, precautions in the event of a bomb threat and safety actions / lock downs to be taken in the event of an intruder alert. In the unforeseen event that we must evacuate the school for emergency purposes, our students will evacuate to B.W. Fleming School.

Students Who Are Unwell

As we do our part in keeping St. Alfred a healthy and safe environment for all students, it is important that we continue to be diligent in isolating students who are unwell.

Please note: it is a requirement that we follow the safety protocols set out by Peel Health and the DPCDSB. It is important that you have a plan in place if you receive a phone call to pick up your child. Also, it is important that you have an alternate pick up person ready to pick up your child(ren) if you cannot do so. We are aware that this is sometimes hard to coordinate however, the expectation of the school, board, and Peel Health continues to be that pick up of ill children is mandatory.

Thank you to the St. Alfred school community for continuing to keep us safe!

Pediculosis (Head Lice)

From time to time, there may be cases of pediculosis or head lice in our school. This should not be cause for alarm. Lice are a nuisance, but not hazardous to your child's health. An alert letter will be sent home to parents and guardians of the affected classes. If more information is required you may visit the Region of Peel at the following website:

<https://peelregion.ca/health/shp/reference-guide/head-lice.htm>

Allergen Awareness Alert

In addition to our Board Policy, the passing of Sabrina's law serves as a reminder of the seriousness of anaphylactic reactions. It compels a continued call for action and ongoing monitoring of existing practices to support the safety, health and welfare of all students at St. Alfred School. As there are a number of students in our school who have a severe life threatening allergy to nuts, we ask our families to refrain from sending to school any food, etc. that contains nut products (e.g., peanut butter sandwiches, snacks with nuts, etc.). While we cannot guarantee a "Nut Free" or "Allergen Free" environment, you can help to reduce the risk to our students by not sending in peanuts, nuts of any kind, products containing nuts, nut oil, or nut by-products, foods that MAY have come in contact with nuts or nut products and fast food or commercial snacks where the content or exposure to nuts of commercial foods or snacks is unclear (e.g., Timbits).

Edible birthday treats will not be shared with students at school. Please do not send cakes, cookies etc. for distribution. Thank you for your cooperation.

Storage and Administration of Medication

Parents are responsible for ensuring that all medication and forms are updated annually. If your child requires medication, please have all pertinent forms completed and returned with the medication to the office as soon as possible. Parents are reminded that children are NOT allowed to keep medication in their desk, backpack or classroom (with the exception of an epi-pen or puffer if allergies are severe). All dispensing of medication requires medical permission and must be stored in the office.

Ryan's Law - Ensuring an Asthma Friendly School

We would like to inform you that St. Alfred continues to participate in 'We Share the Air' a Scent Sensitivity Awareness Campaign. There are students in attendance who suffer from life-threatening asthmatic conditions to air pollutants. Exposure even to minimal odours may cause potential life-threatening reactions. Very common severe chemical triggers are: perfume, cologne, scented products and personal care products (such as hairspray). These products may cause severe reactions for students. The safety and well-being of all of our students is a priority. In order to ensure the safety and well-being of all students, we request that our school community refrain from wearing scented personal products complying with our Scent Free Zone Campaign at school and all school events. Please ensure that all caregivers are also aware of our awareness campaign. If you have any questions, please talk to your child's teacher or the schools staff.

Custody of Children

On rare occasions, we are faced with difficult situations in which non-custodial parents arrive at our school asking to visit with their child or take their child home after school. We are best able to serve and protect the child when we are made aware of legal custody arrangements, visitation rights and special instructions. If legal custody matters affect your family, please ensure that our office and classroom teachers are aware of custodial agreements between parents. We require that a copy of all legal documentation be kept in your child's school records.
