EVERY CHILD, A PROMISE

## An Advent Prayer

God of Love,  
Your son, Jesus, is your greatest gift to us.  
He is a sign of your love.  
Help us walk in that love during the weeks of Advent,  
As we wait and prepare for his coming.  
We pray in the name of Jesus, our Saviour.  
Amen

## December Virtue - Hope

*May the God of hope fill you with all joy and peace in believing, so that you may abound in hope by the power of the Holy Spirit.*

(Rom. 15:13)

A person with hope...

- Expects the best to happen for everyone
- Holds on to their dreams
- Always counts on God to help them in tough situations
- Trusts that things will work out in God's way
- Looks for something good to come out of problems
- Is looking forward to life's blessings
- Sets and sticks to their own goals

We believe that God comes to us as a real human who can show us the way of life. We understand that both the world and its people are from God and so are essentially good. Furthermore, God has given us this Advent season year after year in order to focus our minds and our hearts on the good all around us. Year after year, we are reminded that God chose to send His Son to us because we are worth it. God knows how great we can be when we all come together.

## Christmas Break

The last day of classes for students is Friday, December 20, 2024. Classes will resume on Monday, January 6, 2025. From the staff at St. Alfred, we wish you a blessed, holy and joyous Christmas and a healthy, safe, and prosperous New Year. May the blessings of peace, the spirit of love and the comfort of faith be your gifts this Christmas season.

## St. Alfred Advent Mass

We will be celebrating Advent Mass on Tuesday, December 3, 2024.

Thank you to Father De Pinto for celebrating Advent Mass here at St. Alfred. Also, thank you to Ms. Nunes', Ms. Campbell's, and Mr. Toner's classes for preparing and leading Mass.

### The St. Alfred Angel on the Tree Initiative

Our Angel on the Tree initiative has become a special tradition that is supported by families within the community. The spirit of the 'Angel Tree' is to provide an opportunity for our community to share goodwill for those who are in need of assistance.

*Angel on the Tree* runs from November 27th - December 16th inclusive. Families are invited to donate purchased winter hats, mittens, gloves, scarves, and/or socks! For every donation we will be providing participating students with an 'Angel' to decorate and adorn our Christmas tree in the front foyer of our school.

Donations will be presented to *Open Window Hub - Central Library & Community Development - City of Mississauga*. Thank you in advance for your generosity with making our St. Alfred community *Angel Tree* a wonderful success for Christmas 2024!

Warmest wishes and blessings for all!  
-The Angel Team!

## Snacks and Treats for Classrooms

We are asking that all parents please refrain from bringing snacks/treats (any edible items) to classroom for sharing amongst students. Several students in our school suffer from severe food allergies to nuts, peanuts, nut products, fish as well as other foods. There is also a Ministry PPM - a memorandum that sets out nutrition standards for food and beverages in publicly funded elementary schools in Ontario. If you would still like to do something special for your child's class, a classroom gift, (e.g. board game) for inclement recess may be a great alternative. Again, we thank you for your cooperation.

## Changes in Weather

As colder weather is upon us, a few friendly reminders. We recognize that temperatures can change throughout the day and suggest that children come dressed in layers. Students need to wear the necessary clothing and shoes/boots in order to ensure they are appropriately dressed for outdoor play during the winter season. During the winter season, many parents/guardians are concerned about school policy on outdoor recess. It is generally accepted that when the wind chill factor drops below -25°C,

students should not go outside for recess. Dufferin-Peel C.D.S.B. policy uses a wind chill of -20°C as the determining temperature for modified recesses. At St. Alfred School, students will remain inside when the wind chill is reported at -25°C or lower and we will modify the duration of recess

when the temperature reaches  $-20^{\circ}\text{C}$ . As always, ensure your child is prepared for the extremes of winter weather.

## Snow Stays on the Ground

The weather and the wonderful pleasures that come with winter have begun. Students are reminded that **snow stays on the ground**. Frequent reminders are made on the morning announcements. Students are encouraged to constructively use the snow that winter brings to build different creations out of the snow. Please assist us by reviewing with your child the dangers of throwing snowballs and the importance of preventing injury to other children. Together, we will create a school yard which is safe for all during winter. Another important element of constructive play is respecting the efforts of others. Students are reminded to respect the efforts of others (e.g., snow forts, etc.) and to leave those creations for all to enjoy.

## **Student Absences - SafeArrival Absence Reporting System**

At Dufferin-Peel Catholic District School Board one of our greatest priorities is ensuring that all our students arrive safely at school each and every day.

This is a reminder that here at St. Alfred, we will be using the **SafeArrival** absence reporting system this school year.

Please be informed that **parents are required to report student absences prior to the bell time for the current day**, future absences, or absences that span 2 or more days up to 5 consecutive days. Absence which exceeds 15 days will need to be communicated with the school office directly.

With **SafeArrival**, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the **SchoolMessenger App** from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select **Sign Up** to create your account. Once you are signed up and logged in, select **Attendance** then **Report an Absence**.
2. Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
3. Call the toll-free number **1 (844) 435-3440** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time. If further assistance required on how to report an absence using **SafeArrival** can be found on the following link: <https://www.dpcdsb.org/parents/absence-reporting>

In addition, we will use the **SchoolMessenger Communicate** automated notification system to contact parents whose child is absent when the absence was not reported in advance. The automated notification system will attempt to contact parents at multiple contact points until a reason is submitted for the absence. If our system is unable to reach the designated contacts, office staff will follow up.

If you report your child's absence in advance using the **SafeArrival** toll-free number, website, or mobile app, you will NOT receive these notifications. We appreciate your diligence and attention

regarding the reporting of your child's attendance for the upcoming school year.

Thank you!

## **Protocol for Student Accidents, Injuries, Illnesses**

As per Dufferin-Peel General Administrative Procedures (GAP), the Principal of each school is responsible for establishing a communication procedure to parents/guardians for student accidents, injuries, or illnesses.

### **General Expectations**

All accidents, injuries, and illnesses requiring first aid will be reported to parents/guardians. This communication procedure shall be used regardless of the severity of the accident, injury, or illness. Where an accident, injury, or illness occurs at school, standard first aid treatment shall be given immediately by a qualified First Aider, when available. In the case of an injury, staff shall not move the injured party if there is a suspected back or neck injury as this could potentially cause further damage.

Where an accident, injury, or illness occurs on a school sponsored excursion, first aid treatment shall be given by the excursion provider/location, when available. If a qualified first aid provider is not available, the students' parent/guardian and/or emergency services will be contacted, as appropriate. A staff member shall report any accident or injury to the Principal as soon as possible on the day of the illness, accident, or injury.

If an accident or injury involving a student has occurred while at school but has not been discovered until a later time, the Principal, when informed of such accident or injury, shall inform the parent(s)/guardian(s)/emergency contact and their instructions acted upon, as appropriate.

If the Principal or their delegate believes that the injury or illness may not be of a serious nature, the parent(s)/guardian(s)/emergency contact shall be informed and their instructions acted upon, as appropriate.

### **Serious Accident, Injury, or Illness Response**

If the accident, injury, or illness appears to be of a serious nature, which may require diagnosis and/or treatment by a qualified medical practitioner, the following procedures shall apply in the order described below:

- a) An ambulance shall be called immediately (911) to transport the accident/injury victim and/or person experiencing a serious illness to a hospital. A staff member shall accompany the victim to the hospital.
- b) For serious accidents, injuries, and/or illnesses which occur on DPCDSB property during school hours, the parent(s)/guardian(s) of the student shall be notified immediately.
- c) Where the accident, injury, or illness involves a student, Emergency Response Services personnel shall be provided with a copy of the Student Index Card.
- d) If a student is admitted to a hospital as a result of an accident or injury, or if the accident or injury results in a serious or fatal injury, DPCDSB's Risk Management and Insurance Officer, Health and Safety Department, will be notified by telephone on the same day as per GAP 519.01 – Board Insurance – Incident Reports.
- e) Principals shall complete the Ontario School Boards' Insurance Exchange (OSBIE) on-line incident report form as soon as possible. Principals must ensure that the red box at the top of the

on-line incident report form is checked.

f) OSBIE and DPCDSB's Risk Management and Insurance Officer shall receive copies of on-line OSBIE report forms simultaneously. OSBIE prioritizes reports daily and will follow-up with the Principal and/or the Risk Management and Insurance Officer regarding serious or fatal injuries.

## **School Yard Supervision**

A reminder to both parents/guardians and students that yard supervision does not begin until 8:30 a.m. Thank you for your cooperation in ensuring student safety.

## **Kiss & Ride**

The Kiss and Ride lane is a convenience provided to parents with the intention that parents remain in their cars. If you need to assist your child, or exit your vehicle, please park in a parking spot or on the street in a designated area.

### **Rules to Remember**

- Never park in the Kiss and Ride lane and get out of your car.
- Always pull up to the front of the line and let your child out at the sidewalk where the supervising teacher will be standing. Do not let your child out anywhere else!
- If you are parked in the school lot, please wait for the supervising teacher's signal to exit the lot

Thank you for your assistance in making our school the safest it can possibly be for our students!

## **Valuables**

Students are requested NOT to bring valuables, items of importance or money to school. This includes video games, iPods, phones, expensive sports equipment, etc. The school cannot accept responsibility for valuables brought to school. Personal items should be marked with the child's name.

## **Information for Parents/Guardians about DPCDSB**

[Policy 2.0 Advocacy: Responding to Concerns and Inquiries](#).

## **Catholic Code of Conduct**

DPCDSB is committed to the implementation in every school of the Catholic Code of Conduct that clearly reflects the need to provide a safe, caring, inclusive and healthy Catholic school community. All community members will work together to develop spiritually, intellectually, physically, socially, and emotionally by aspiring to the highest possible standards of Catholic behavior, in living out the gospel values, and by fostering a Catholic culture of respect, responsibility and concern for the common good. The Catholic Code of Conduct is available can be found on the DPCDSB website (<https://www.dpcdsb.org/students/catholic-code-of-conduct>). Parents, Guardians, Students and Community members are invited to provide feedback regarding the Code of Conduct using the link provided on the DPCDSB website.

### Student Handbook

The student handbook is posted on [DPCDSB website](#) under the Students Tab ([Elementary Student Handbook](#); [Secondary Student Handbook](#)). The student handbook contains information regarding DPCDSB policies, guidelines, and expectations for students. Please note, failure to review the handbook does not remove the onus of responsibility from a student to adhere to school policies, rules, and procedures. If you have any questions, please contact your school's main office.

### Fire Drills

Please note that we are required to conduct 3 fire drills each school term. The drills occur during the school day.

### Ontario Catholic School Graduate Expectations

The Ontario Catholic School Graduate Expectations inform the teaching and learning in all of our classrooms from Kindergarten to Grade 8. Our instructional practices reflect the knowledge, skills and mindsets embodied in these expectations. The Catholic Graduate is expected to be:

Teachers and students regularly practice emergency evacuation procedures. as well as community and parish representatives. The aim of the School Advisory Council is to support school activities and students through involvement and fund raising. The School Council also provides a forum for parents to meet and share information and ideas concerning the school community.

## **Students Who Are Unwell**

As we do our part in keeping St. Alfred a healthy and safe environment for all students, it is important that we continue to be diligent in isolating students who are unwell.

**Please note: it is a requirement that we follow the safety protocols set out by Peel Health and the DPCDSB. It is important that you have a plan in place if you receive a phone call to pick up your child. Also, it is important that you have an alternate pick up person ready to pick up your child(ren) if you cannot do so. We are aware that this is sometimes hard to coordinate however, the expectation of the school, board, and Peel Health continues to be that pick up of ill children is mandatory.**

Thank you to the St. Alfred school community for continuing to keep us safe!

## **Pediculosis (Head Lice)**

From time to time, there may be cases of pediculosis or head lice in our school. This should not be cause for alarm. Lice are a nuisance, but not hazardous to your child's health. An alert letter will be sent home to parents and guardians of the affected classes. If more information is required you may visit the Region of Peel at the following website:

<https://peelregion.ca/health/shp/reference-guide/head-lice.htm>

## **Allergen Awareness Alert**

In addition to our Board Policy, the passing of Sabrina's law serves as a reminder of the seriousness of anaphylactic reactions. It compels a continued call for action and ongoing monitoring of existing practices to support the safety, health and welfare of all students at St. Alfred School. As there are a number of students in our school who have a severe life threatening allergy to nuts, we ask our families to refrain from sending to school any food, etc. that contains nut products (e.g., peanut butter sandwiches, snacks with nuts, etc.). While we cannot guarantee a "Nut Free" or "Allergen Free" environment, you can help to reduce the risk to our students by not sending in peanuts, nuts of any kind, products containing nuts, nut oil, or nut by-products, foods that MAY have come in contact with nuts or nut products and fast food or commercial snacks where the content or exposure to nuts of commercial foods or snacks is unclear (e.g., Timbits). **Edible birthday treats will not be shared with students at school. Please do not send cakes, cookies etc. for distribution. Thank you for your cooperation.**

## **Storage and Administration of Medication**

Parents are responsible for ensuring that all medication and forms are updated annually. If your child requires medication, please have all pertinent forms completed and returned with the medication to the office as soon as possible. Parents are reminded that children are NOT allowed to keep medication in their desk, backpack or classroom (with the exception of an epi-pen or puffer if allergies are severe). All dispensing of medication requires medical permission and must be stored in the office.

## **Ryan's Law - Ensuring an Asthma Friendly School**

We would like to inform you that St. Alfred continues to participate in 'We Share the Air' a Scent Sensitivity Awareness Campaign. There are students in attendance who suffer from life-threatening asthmatic conditions to air pollutants. Exposure even to minimal odours may cause potential life-threatening reactions. Very common severe chemical triggers are: perfume, cologne, scented products and personal care products (such as hairspray). These products may cause severe reactions for students. The safety and well-being of all of our students is a priority. In order to ensure the safety and well-being of all students, we request that our school community refrain from wearing scented personal products complying with our Scent Free Zone Campaign at school and all school events. Please ensure that all caregivers are also aware of our awareness campaign. If you have any questions, please talk to your child's teacher or the schools staff.

## **Custody of Children**

On rare occasions, we are faced with difficult situations in which non-custodial parents arrive at our school asking to visit with their child or take their child home after school. We are best able to serve and protect the child when we are made aware of legal custody arrangements, visitation rights and special instructions. If legal custody matters affect your family, please ensure that our office and classroom teachers are aware of custodial agreements between parents. We require that a copy of all legal documentation be kept in your child's school records.
